

## Protecting Betting Integrity

### Who does what in Britain's strategy to tackle sports betting corruption

#### GAMBLING COMMISSION

**The Sports Betting Intelligence Unit (SBIU)** is a unit within the Gambling Commission which deals with reports of betting-related corruption. It is at the heart of Britain's approach to dealing with suspected cases of sports betting integrity. This approach is known as the national platform.

It receives reports and develops intelligence about potentially corrupt betting activity from a range of sources including betting operators, sports governing bodies, law enforcement, the public and the media.

The SBIU will share, where appropriate, specific intelligence or information with other partners (for example, betting operators, sports governing bodies, overseas regulators, and so on) both nationally and internationally. In some cases this information may then be used by these bodies in their investigations; for example a sports governing body investigating a breach of its sports rules. Contact the SBIU by phone on +44 121 230 6655 or by email [sbiu@gamblingcommission.gov.uk](mailto:sbiu@gamblingcommission.gov.uk)

#### sports betting integrity forum

**The Sports Betting Integrity Forum (SBIF)** was established in 2012 to develop Britain's approach to protecting sport and sports betting from corruption. It is part of Britain's national platform to address the risks of match-fixing and threats to sports betting integrity.

It brings together representatives from sports governing bodies, betting operators, sport and betting trade associations, law enforcement and gambling regulation. It supports and coordinates partners' individual and collective efforts to deliver [Britain's strategy](#) for protecting the integrity of sport and sports betting.

If you would like to contact the Forum about issues related to betting integrity or have a question you can get in touch via the [Contact Us Page](#) on the SBIF website.

#### Sports Betting Group

**The Sports Betting Group (SBG)** brings together representatives from across sport to provide leadership and to share good practice to address the risks from sports betting corruption.

The group provides a source of help and support for sports governing bodies looking to put in place measures to protect the integrity of their sport. It can also raise issues with the SBIF on behalf of sports governing bodies.

Central to the SBG's work is the SBG [Code of Practice](#) which sets out seven key actions sports governing bodies should take to protect integrity. In addition, the [SBG](#) website provides sports governing bodies and wider stakeholders in the sports betting field with a central resource containing information and good practice including betting rules, reporting contacts and educational material.

You can contact the SBG by phone on 0207 976 3900 or by email [sbg@sportandrecreation.org.uk](mailto:sbg@sportandrecreation.org.uk)
